Ref: 15008-83-Let-001-Draft IWULA Notification Letter-Rev0

2 March 2018

Dear Stakeholder

**WATER USE LICENCE AMENDMENT APPLICATION FOR THE DUVHA POWER STATION ON PORTION 0 OF DUVHA KRAGSTASIE 337 FARM, NEAR EMALAHLENI IN EMALAHLENI LOCAL MUNICIPALITY, MPUMALANGA PROVINCE**

A Water Use Licence Application (WULA) process is being undertaken for the amendment of Eskom's (Duvha Power Station) current WUL that was issued in 2007 to reflect all the water uses currently taking place at the power station, which include licensing the existing unauthorised water uses.

Zitholele Consulting has been appointed as the independent Environmental Assessment Practitioner (EAP) to undertake the underway WULA process. The Competent (decision-making) Authority for this proposed application is the Department of Water and Sanitation (DWS), Bronkhorstspuit Branch.

The IWUL application documents will be available for public review and comment from **02 March 2018** to **07 May 2018** at Zitholele Consulting's website: <http://www.zitholele.co.za/environmental/> under the heading "Duvha IWULA Amendment". Alternatively, the IWUL application documents can be provided on a CD upon request, from the contact details provided below. Please find attached Background Information Document (BID) as Appendix A for your perusal. The attached BID provides more detailed information regarding the proposed project.

Kindly send your response or any queries to the Public Participation Office on fax number 086 674 6121 or e-mail to [duvhawul@zitholele.co.za](mailto:duvhawul@zitholele.co.za). You are also welcome to contact Dr. Mathys Vosloo at Zitholele Consulting on 011 207 2060.

Kind regards

A handwritten signature in black ink, appearing to read 'M Vosloo', is written over a light blue circular stamp.

Dr. Mathys Vosloo  
Environmental Assessment Practitioner
